(continue on reverse)

Requirements

- Associated with your school for at least one year
- Currently teaching with at least one year of experience
- Attend an all-day guided bus tour of the Wolf Lake watershed on May 30, 2020
- Present a preview of your project, including a budget, at the November 6, 2020 meeting of the 4th annual Wolf Lake Advisory Committee at Calumet College
- Introduce into the curriculum a project that would include a study of a location within the Wolf Lake watershed
- Be available for meetings or conference calls throughout the school year for tracking progress
- Submit a self-assessment of your project, with student evidence, at the end of the school year
- Recommend a fellowship applicant for the school year 2021-2022

Options

- Attendance at Calumet Revisited Forums held through the 2020-2021 school year at 5 p.m. of the first Tuesday of the month, September through May, in Room 265, Calumet College of St. Joseph
- Attendance at Dunes Learning Center's Citizen Science Symposium in May, 2021 in Gary
- Attendance at or participation in programs offered by the Field Museum or the Peggy Notebaert Museum

Complete and send to: AWLI, 2400 New York Avenue, Whiting, IN 46394

I agree to fulfill the requirements of the fellowship as stated above and state that the information provided is correct.
